C I R C U L A R

It is hereby notified for information of all concerned applicants of **JKSET/LASET 2026** that **document verification of candidates who qualify the JKSET/LASET 2026 examination shall be conducted after declaration of the result**.

However, during the preliminary scrutiny of applications, it has been observed that certain candidates who have applied under reserved categories have submitted **invalid, expired, reservation certificates**, or certificates **not in conformity** with the applicable Reservation Policy of the **UT of Jammu & Kashmir and UT of Ladakh** as notified in information Bulletin JKSET/LASET 2026

All candidates are required to ensure that their category/reservation certificates were valid as on the date of submission of the application form, i.e. **24th July 2026**. No category/reservation certificate issued after 4th September 2026 shall be entertained for availing the said benefit.

Accordingly, the candidates concerned are hereby provided a **final opportunity, on or before 11th September 2026**, to either:

- **submit a valid and applicable category/reservation certificate; or**
- **if otherwise eligible, request shifting of their candidature to the General Category through the Query Section available on their Account Dashboard.**

Candidates opting for the General Category shall be required to deposit the applicable **balance/differential examination fee** within the prescribed time.

It is further clarified that if a candidate with an invalid, expired, or otherwise inadmissible category/reservation certificate qualifies the examination, his/her **candidature/qualification shall be liable to cancellation/disqualification** upon subsequent detection of the discrepancy, in accordance with the applicable rules, without any further notice.

All concerned candidates are advised to take note of the above and ensure compliance within the stipulated time.
